FROM : [Redacted]

SUBJECT : CFI FY 1978-1981 Program Review

REFERENCE : Memo dated 26 May 1976, to CFI Members and Program
Managers from D/DCI/IC, subject: FY 1978 Intelligence
Program Review

1. Referenced memorandum outlines a detailed schedule for CFI review of the National Foreign Intelligence Program. As indicated therein, you are requested to present to the CFI your program recommendations, along with a description of any major issues you foresee arising in connection with your program.

2. As an aid in preparing for these reviews, please provide the following:

a. A general description and overview of your program plans, highlighting any major issues you foresee during the FY 1978-1981 time frame, by 28 June; and

b. Attendance by your designated representative at a meeting on 1 July, chaired by D/OPBD/IC, to select issues for CFI consideration.

3. In this connection, I am providing a brief outline (attached) which describes the general thrust and scope of the presentations desired for CFI review. I hope this will be helpful in preparing for these reviews.

4. I recognize that these requirements may place an additional burden on you and may be somewhat out of phase with your normal internal management review process. We have attempted to minimize additional requirements; however, to ensure that the CFI review process is productive, certain disruptions are unavoidable, particularly during this first year. Thus, your support and cooperation will be appreciated.
